SUPERWASHABLE MITAMA®

Mitama Superwashable Colors

garantiscono livelli di lavabilità superiori a quelli dei principali pennarelli LAVABILI presenti nel mercato

Mitama superwashable markers are definitely more washable than the other main washable markers on the market

BEFORE **prima** **PALMO** *PALM* **dopo** *AFTER*

Grazie alla sua formula speciale l'inchiostro si lava facilmente senza lasciare aloni su mani e indumenti.

Thanks to its special formula the ink can be washed easily without leaving stains on hands and clothing
